2018 Main Street Elementary School

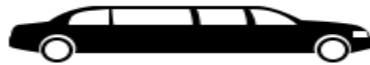

JOG-A-THON

Friday, February 23, 2018

Friends of Main Street is sponsoring our annual Jog-a-thon fundraiser on **Friday, February 23rd**. In addition to this being a fun, healthy way for students to get involved in fundraising for their classrooms and school, they will also earn prizes!

Each student raises money by collecting either flat donations or per lap pledges. Donations can be collected by cash, check or online at 99pledges.com. Support can come from relatives, friends, businesses, and neighbors. Cash and check donations are preferred, but can easily also be made by credit card using the 99pledges website. Look out for an email from your student from 99pledges that you can easily share on facebook and forward to friends and family!

Each lap will be 100 meters. Students will be credited with the number of laps they complete in 10 minutes (Kinder); 12 minutes (Grades 1-3); 17 minutes (Grades 4-5). Teachers and volunteers will validate the number of laps completed.

Pledges should be collected and returned by **Wednesday March 7th** to the office. Every student that raises \$25 will receive a prize! The more money raised the greater the amount of prizes! **Prize list is on the reverse side of this sheet!**

SHOUT-OUTS! Shout out packages will be available for \$25. Packages include a custom sign and an encouraging personal shout out delivered by Mrs. Bitter while they are running! **Shout outs due by Wednesday, February 21st.**

NEW THIS YEAR! Each grade level will show their spirit while running by wearing a designated color! Kinder - Purple, First - Orange, Second - Yellow, Third - Green, Fourth - Blue, Fifth - Red. We need lots of help to make this school-wide event a success. If you'd like to volunteer, it's easy and fun! Please contact Jillian at jillian_holmberg@yahoo.com.

Timeline:

February 9th: Students receive pledge packets and 99pledges email for online donations

February 9th- Students start collecting pledges.
